Scrubs

Our Sublimated, full colour scrubs are an easy way to bring colour to medical staff uniforms and brighten up their patient's day. They can be branded with fill colour patterns that are vibrant and funky and will put young and nervous patients at ease. Brand them with colourful patterns , animation character's, flowers or themes such as Christmas and add the hospital or medical practice name.

Lando Bodywarmer

Introducing our Lando Bodywarmer – the perfect balance between warmth and mobility.

The details include a full zip with chin protector, front panels with welt pockets, and a curved back hem to complete the look.

Unisex (XS-5XL)

(view our website for more option by clicking on the link below)

[Bodywarmers](#)

The image displays a product page for the Lando Bodywarmer. It features four models: a man and a woman, each shown from the front and back. The bodywarmer is a quilted, blue-grey vest with a full front zipper, a chin protector, and welt pockets. The back view shows a curved hem and the 'Stem' logo. The page includes technical specifications for both men's and ladies' versions.
