CUSTOM GIFTS FOR
YOUR WEDDING

Made for You

SMART GIFTS COLLECTION

A DAY TO REMEMBER

THE LUXURY GIFT BOX

A beautifully presented gift starts with the box. Choose an elegant finish, a satin ribbon and a personalised design to suit your wedding palette. Add your initials, wedding date or a short message. Our gift-box concepts make a thoughtful welcome for guests or a special thank-you for your bridal party.

A keepsake your guests can use long after the celebration. Personalised cotton totes are ideal for welcome packs, bridesmaid gifts or destination weddings. Add the couple’s initials or a custom wedding motif, then fill each bag with a few favourites chosen especially for your people.
